MOOD

CHILL

GENERATE

ACCEPTANCE CRITERIA

- Users can select options for genre, decade, and mood.
- After selecting preferences, clicking "Generate" provides a random movie suggestion.
- If no preferences are selected, a completely random movie is generated.

STORY - DISPLAY SUGGESTED MOVIE DETAILS

As a user

I'm able to view the details of the randomly suggested movie

So that I can learn more about the movie before deciding to watch it

WIREFRAME

ACCEPTANCE CRITERIA

- Display includes movie title, poster, description, genre, and rating.
- User can click on "Save to Watch Later" or "Generate Another Movie" from this view.

STORY - SAVE MOVIES TO WATCH LATER

As a user

I'm able to save movies to a "Watch Later" list

So that I can remember movies I want to watch in the future

WIREFRAME

WISH LIST **WATCHED LIST**

Wish list

Some movie
WATCHED   DELETE

Some movie
WATCHED   DELETE

Some movie
WATCHED   DELETE

ACCEPTANCE CRITERIA

- Users can save a suggested movie by clicking "Save to Watch Later."
- Saved movies appear in the "Watch Later" list accessible from the main menu.
- Users can remove movies from the "Watch Later" list.

STORY - TRACK WATCHED MOVIES

As a user

I'm able to mark movies as "Watched"

So that I can keep track of movies I've already seen

WIREFRAME

ACCEPTANCE CRITERIA

- Users can select a movie from the "Watch Later" list and mark it as "Watched."
- Watched movies move from "Watch Later" to a "Watched" list or have a label indicating they're watched.
- Users can unmark movies if needed, moving them back to "Watch Later."

STORY - ADMIN MOVIE MANAGEMENT (ADD MOVIE)

As an admin

I'm able to add new movies to the database

So that I can expand the collection available for users

WIREFRAME

ACCEPTANCE CRITERIA

- Admin can access a form to add new movies.
- After submission, the new movie appears in the general movie database.
- Only admins can access this functionality; regular users are restricted.
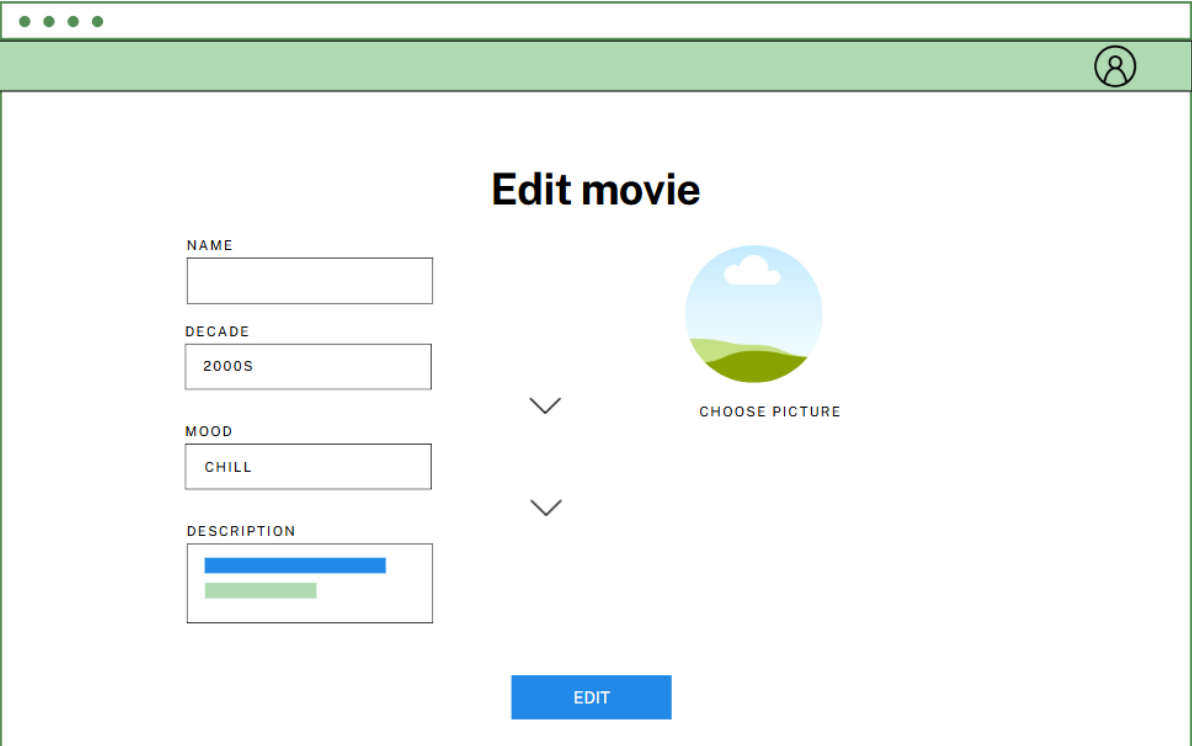

STORY - ADMIN MOVIE MANAGEMENT (EDIT MOVIE)

As an admin

I'm able to edit existing movie details

So that I can correct or update movie information as needed
